

Proposed amendments and repeals needed to restore the United States of America

1. Congress can no longer farm out their Constitutional duties. i.e. to coin Money, regulate the Value thereof, and of foreign Coin, and fix the Standard of Weights and Measures; to establish Post Offices and Post Roads., abolishing the Federal Reserve and operating the Post Office without debt.
2. Congress will no longer collect any funding, (taxes, fees, tariffs nor levies) from any American, individual nor company directly. They shall do a Federal budget then submit it to the Supreme Court for Constitutionality then, if deemed Constitutional, shall be available for public review at least seven days prior to a vote with at least 2/3's vote from both houses. If signed by the President, all rules and regulations to enforce that law shall get the same review before becoming law. Then an invoice shall be sent to each state for payment based on that State's population. Each State shall have no more than 30 days to remit payment. The federal debt shall be added to the bill to the States at a rate of 5% per year plus interest until paid. The Federal Government shall borrow nothing, excluding periods when our nation is imminently at risk of war with another country or a recognized military unit.
3. Repeal the 16th Amendment: The Congress shall have power to lay and collect taxes on incomes, from whatever source derived, without apportionment among the several States, and without regard to any census or enumeration.
4. Forbid income based taxation by any government or government agency ...Federal, State or Local. Income includes, but not limited to inheritance, winnings and gifts of any kind.
5. Establish term limits of for both Federal houses.
6. The Federal Government shall promote the general Welfare ...defining promote as: To urge the adoption of; advocate. The Federal Government shall not control, manage, regulate or pay for any welfare or social programs. A process of getting out of any such programs shall be established and implemented on a first priority bases, differing them to the States. This includes, but not limited to Social Security, Medicare, Medicaid, education, housing, welfare, health, environment, energy, labor, and transportation, with an exception for Interstate Highways as a National Defense matter.
7. No government or government agency ...Federal, State or Local shall impede a completely free press at all times, including the Internet. With the exception of establishing a .xxx Internet domain (e.g., www.notforkids.xxx) and imposing steep fines and significant jail time for all sites that provide access to pornographic or extreme violence material outside of this domain. The terms pornographic and extreme violence has to be defined.
8. Federal Government initiatives, like national parks, highways, licensing of the airwaves, etc. shall be the states responsibility. With an exception for Interstate Highways as a National Defense matter.
9. The Federal Government shall not financially assistance any private company or organization.
10. Establish a presidential line item veto.
11. States' rights over Federal rights at least 90% of the time.
12. Establish Congressional pay, indexing the salary, and replacing the Congressional pension with a standard 401k retirement plan.
13. Guiding principles shall always override technicalities and special interests/extremist groups.
14. Re-establish and re-clarify equal rights for all over special rights for a few (e.g. prisoners, seniors, students, gays, and minorities)
15. All Federal Government programs shall have a clearly established objective and an end date of no more than ten years from the date of creation.
16. All legislation shall be limited to one subject.
17. Establish a maximum limit amount of foreign aid provided to any one country, in any year, and only allow any one country to receive funds for a maximum of two years in any five year period, excepting those nations in a declared war with a foreign enemy or a genocidal situation.
18. Limit foreign aid to ten or less countries in any year.
19. Federal budget shall not include any item whose benefit is primarily for a single state (e.g., a bridge in Alaska, or a levee in Louisiana).

20. English shall be our national language. English shall be the exclusive language used in all public institutions and on all public material.
21. All public institutions and on all public material shall not refer to the word marriage. Civil Union shall be used instead. Marriage is a religious event and shall be separated from state.
22. Preservation of human life and personal property shall take precedence over the welfare of any plant or animal regardless of its status as protected or endangered.
23. Establish when the moment of life begins, then re-affirm that the un-natural ending of life is murder.
24. Clarify the right of all American citizens to bear arms once and for all. Every American citizen has the right to carry a concealed weapon, excluding those who have been convicted of a felony or deemed to be incompetent by a non-government recognized professional.
25. Final legislation shall be reviewed by the Supreme Court for Constitutionality then, if deemed Constitutional, shall be available for public review at least seven days prior to a vote. If signed by the President, all rules and regulations to enforce that law shall get the same review before becoming law.
26. Making financial promises and/or guarantees while campaigning for any elected office shall be strictly forbidden.
27. Specifically affirm that we are a nation under God, that all men are endowed by their Creator (God of choice or lack their of) with certain unalienable Rights, that We the People of the United States have been blessed by our Creator, (God of choice or lack their of) the right of Liberty for ourselves and our Posterity, that our creator (God of choice or lack their of) is welcome in all that we do, but no person can be forced to participate into worship or any religion at any time or in any way. Religious or spiritual activities on local, state, and federal property (such as schools, libraries, and municipal buildings), shall be at the discretion of the members of each site.
28. The legalization and regulation marijuana shall be the same as alcohol.
29. The National Guard of each State shall be completely controlled by the States they are in, except in time of a declared war and may be used to control our borders and prevent illegal immigration and as the States Militia as called for in the Constitution.
30. Deployment of United States troops shall be limited to 10,000, including support personnel, for a maximum of three years, in any country which we are not at war with and have not been for any of the last ten years.
31. Total military spending shall be no more than 3% of GDP, excluding periods when our nation is imminently at risk of war with another country or a recognized military unit.
32. Total foreign aid contributions shall be no more than the average contributions of the leading countries in the world in absolute dollars.
33. All people who commit a crime against a U.S. citizen who are not U.S. citizens shall be processed in military tribunals, not the U.S. legal/justice system.
34. A "Law of Common Sense" shall require judges to hold individuals accountable for their actions, particularly when the predominant majority of society would have known better.
35. The worst 3 percent of judges each year, determined by the number of decisions overturned by a higher court, shall be removed.
36. Only the Constitution and the laws of the United States shall be considered when deciding cases or writing opinions, judges shall not apply the "standards" of international behavior.
37. Lawyers shall not knowingly misrepresent the truth to defend their client.
38. Establish a maximum timeline for all criminal cases, ensuring that court proceedings begin within three months and end within one year, that appeals extend no more than two years through the highest court possible, and that both the defense and prosecution must adhere to the timeline with penalty of contempt of court charges and license revocation if they do not – including death penalty cases.
39. People who entering the United States illegally shall not receive any government benefits, federal, state or local, directly or indirectly. Any and all such agencies shall enforce all laws of the land.

40. Establish a Guest Worker Program that allows non-U.S. citizens to work in the United States for no more than five years.
41. Require those who have entered our country illegally to leave the country, when caught by any law enforcement agency.
42. The number of immigrants who can become citizens in any single year shall be no more than one percent of the population of the United States.
43. Citizenship to a child born in this country, whose mother is not a U.S. citizen, not married to a U.S. citizen, or not in the country legally shall not be granted.
44. Those in the United States illegally shall not have any of the rights granted to U.S. citizens, other than the right to humane treatment.
45. Employers shall be fined at least 3% of their gross receipts if they hire illegal immigrants not registered as "Guest Workers" on their first offense. Fine percentage shall double for each offense thereafter.
46. An Instant Runoff Vote for all Federal elections (e.g. President, Senate, and House of Representative) shall be done whenever a runoff vote is needed.
